From Faithful Navigator Bill Garber

What a difference a few weeks can make. Yes, the coronavirus pandemic is real, but our Supreme Knight, Carl Anderson, shared some positive ideas that we, as Knights, can do. I want to share them with you again, especially if you may not have seen them.

1. Pray.
2. Help keep yourself, your families and your communities safe by cancelling all “in person” Knights of Columbus meetings and activities at the local and state level until otherwise indicated.
3. Leave no Knight – or neighbor – behind. Check on your more elderly Knights and neighbors. A phone call to see if the individual is okay or ask to see if they need food or medication certainly can aid those less mobile from isolation. Just leave the food on their doorstep after advising when you’ll be able to drop the items off.
4. Give blood. I have been a blood donor for many years and normally donate up to 2 pints each time. Of course, you don’t have to donate that much, but do think about giving blood as there is a true need for blood donors right now.

We still look forward to having a Fourth Degree Exemplification. At this time, it has been rescheduled from April to the weekend of June 5, 6 & 7 at the Radisson, Toledo, OH. For those of you who had made hotel reservations already, those reservations have been transferred to the June dates. You can cancel directly with the hotel at 419-381-6800 if these new dates conflict with vacations or other plans. In addition, if you had already paid for the banquet or the Ladies Luncheon fees, but cannot attend, you can request a refund.

For our Candidates, if they are not able to attend in June, a refund will be made for any costs they already paid. However, if the Candidate was under date restrictions and only available for the Friday night Exemplification, they can still keep that night, or they are able to participate on Saturday and include their spouse/family/friend. If the Candidate chooses Saturday, they will be obligated to cover the banquet and Ladies Luncheon charges they and their guest attends.

I will keep you posted on our potential Candidates and other related news as we draw closer to the newly scheduled 4th Degree Exemplification weekend.

Difficult times do bring out the best in people. People gravitate to unifying in times of strife.

Easter is still on schedule and it’s a reminder to us all that “He is Risen.” We, Knights and patriots, will as well as we recommit ourselves to “One Nation under God, indivisible.”

Please take care of yourselves and families. With God’s help, we will get through this period, too. Vivat Jesus!

From Faithful Captain Phil Stanchin

Hello Knights and Lady Knights. I hope all is well. Hope everyone is staying home and, if you go out, make sure you are wearing masks and gloves.

Lady Joanne is keeping herself at home. As for me, I have a service business and am working with mask and gloves. Rosaries are needed by everyone so that the virus may abate soon.

For Palm Sunday the Knights at St. Clements are passing out the palms via car drive-through, so that no one need to enter the church. So far no Easter service nor blessing of baskets are scheduled. This could change, however. Keep up the prayers and Rosaries. Thank you and see you when we can. God bless, Viva Jesus.

From Faithful Friar Father Ed Littelmann

I see a lot coming together from the Lord on how to exercise our precious faith for ourselves, one another and our friends and families (and even "enemies"). That means a LOT to me as a Knight and what our calling from the Lord entails. I offer these inserts as good means of prayer and meditation as we celebrate Lent with the promise of Easter to keep our faith alive. I hope these mean a lot to each of us. I'm proposing that we each spend some Lenten time in conjunction with one another by praying these enclosed meditations slowly and carefully, then maybe share some super thoughts with one another.....?

Now is the time for which our faith has prepared us. Now is the moment when all that we believe can be put to work.

Now we can turn to the inner resources we have been developing over these many years to face the challenge of a world in desperate need.

We are not afraid of this crisis for we have been made ready for it.

We have devoted our lives to the belief that something greater than fear or disease guides human history. We have studied, prayed and grown in the Spirit.

Now we come to the call to use what we believe. Our people need hope, confidence, courage and compassion: the very things for which we have been trained. We are the calm in the midst of a storm. Stand your ground and let your light so shine that others may see it and find their faith as well. **Steven Charleston**

“And the people stayed home. And read books, and listened, and rested, and exercised, and made art, and played games, and I learned new ways of being, and were still. And listened more deeply. Some meditated, some prayed, some danced. Some met their shadows. And the people began to think differently. And the people healed. And, in the absence of people living in ignorant, dangerous, mindless and heartless ways, the earth began to heal. And when the danger passed, and the people joined together again, they grieved their losses, and made new choices, and dreamed new images, and created new ways to live and heal the earth fully, as they had been healed.” **Kitty O’Meara**

Blessings to you all: Vivat Jesus,
Fr. Skip

A Word from Lady Melody Garber

“When I stand before God at the end of my life, I would hope that I would not have a single bit of talent left and could say, ‘I used everything You gave me.’” Erma Bombeck

It’s amazing what each of us can do in challenging times. We are being challenged not only by an unseen coronavirus, but perhaps asking God what our part is in the scope of things. Outside of the obvious social containment and proper personal hygiene, we can continue to focus on small actions in hope of positive outcomes yet to occur at the other end of this national health threat. Maybe you reconnected with a neighbor or family member. Maybe it was donating to a charity or food bank. Or, you took a little bit of energy to stretch your legs and take a stroll. So far I’ve mostly chosen to take a walk. During my walk, I’ll wave to those also outside in addition to saying the rosary as well as the Divine Mercy. It’s about 45 minutes, but sometimes you get that person who will see you holding a rosary and inquires if you can pray for someone they know. That happened to me and she even said she would pray for me, too.

My point in sharing the above is simple . . . we can still look forward and take care of what we can. The 4th Degree Exemplification has been rescheduled at this time for the weekend of June 5, 6, and 7, at the Radisson Hotel, Toledo, OH. I’m asking each Lady to continue to promote our Assembly’s basket as well as the other Assemblies’ baskets, too. Basket tickets are one ticket for \$1 and six tickets at \$5.

Here is a list of the other Assemblies basket themes:

1. 807 (Toledo) – Spring Fling
2. 810 (Tiffin) – Summer Fun Days
3. 813 (Sandusky) – A Blast at the Beach
4. 821 (Mansfield) – Celebration
5. 824 (Defiance) – Date Night
6. 845 (Fostoria) – Spring into Beauty
7. 2800 (Perrysburg) – What happens around the Fire Pit, Stays at the Fire Pit

Hold on to both your sold tickets and money until we have our May meeting (I’m in positive-thinking mode). Of course, that may change. You can also still donate items for our Assembly’s basket.

In addition, I’ve been notified to inquire of our ladies to donate scarves for the Scarf Swap to be held during the 4th Degree Exemplification, in the Hospitality Room. Please plan to bring your scarf donations with you to our May meeting, or email me to arrange a donation drop off or pick up at melodygarber@live.com.

I think that’s enough for now. I am grateful for any and all of you who are willing to assist in selling the basket tickets and providing scarf donations. It may seem a little off to encourage your participation at this time, but there is a purpose for everything and we can’t stop living. As I told my sister today as she expressed her fear to me, “Let Go and Let God.” And, stay calm. He knows what He’s about. Our purpose is to have faith and do His will.

A PRAYER FOR PROTECTION IN TIME OF PANDEMIC

O Mary,
you always brighten our path
as a sign of salvation and of hope.
We entrust ourselves to you, Health of the Sick,
who, at the Cross, took part in Jesus' pain
while remaining steadfast in faith.

O loving Mother, you
know what we need,
and we are confident you will provide for us
as at Canan in Galilee.

Intercede for us with your Son Jesus,
the Divine Physician,
for those who have fallen ill,
for those who are vulnerable,
and for those who have died.

Intercede also for those charged with
protecting the health and safety of others
and for those who are tending to the sick
and seeking a cure.

Help us, O Mother of Divine Love,
to conform to the will of the
Father and to do as we are told by
Jesus, who took upon Himself our
sufferings and carried our sorrows,
so as to lead us, through the Cross,
to the glory of the Resurrection. Amen.

*Under thy protection we seek refuge,
O Holy Mother of God.*

*In our needs, despise not our petitions,
but deliver us always from all dangers, O
glorious and blessed Virgin. Amen.*

Adapted from the prayer of Pope Francis
